

## COVID- 19 Safety measures at Road Farm Countyways

To ensure the safety of all our staff, volunteers, service users and visitors to the farm we have introduced the following procedures.

1. We are following the COVID-19 Government safety advice and assessing this daily
2. We're limiting visitor numbers so that social distancing can be maintained with confidence
3. We have plenty of hand sanitizers around the farm and its buildings and encourage regular hand-washing, including on arrival and departure, prior to eating or drinking and before and after farm equipment is handled
4. We have new operating procedures and cleaning schedules in place
5. Face masks are to be worn by staff and volunteers in farm buildings
6. Staff and volunteers will wear PPE when necessary
